

FirstPoint with new design

Once you view a case, you will find many features to help you with your research

A. Left-pane controls
To collapse/expand the left pane.

B. Document in Context
Displays a Table of Contents and allows you to browse/print surrounding documents without leaving the current document page.

C. Search Summary
Displays where you are in your search results and allows you to browse your search results without leaving the current document page.

D. Other search templates
Quickly jump to other advanced search templates.

E. Return to original results
Go back to your search results.

F. Results navigation
Move through to the next search result document.

G. Document navigation
Move through to the next version of the case document.

H. Search within the document
Search within your results for an additional term/phrase.

I. Term navigation
Move through the portions of each document that contain your search terms.

J. Case Information
Quickly scan the case title, common title, court, date, judges and citations.

K. Cases Flag
Alerts you to when a point of law in a document has been negatively discussed ([red flag]), is no longer good law ([red square]), the case has some non-negative or neutral litigation history ([H]), or the case has citing references but they are non-negative or neutral ([C]).

L. Tabs

- Firstpoint
- Judgment Text
- Reported version
- Cited Document
- Citing References

M. Digest notes /Classifications
Select a radio button to toggle between Digest notes view or Classifications only view

* Depending on your subscriptions, different tabs will appear.

FirstPoint with new design

Once you view a case, you will find many features to help you with your research

N. Digest Note Icon

Click to expand and collapse digest notes.

O. Classifications

Click to find more cases on the same point of law.

P. Digest notes

A quick summary of the legal principles and holdings of the law. Each note is targeted to individual point-of-law classifications.

Q. Save Doc to Folder:

Save the document to a folder.

R. Download *

S. Print*

T. Email*

U. Full Page Mode

Expands the document view for easier reading.

V. Add to

Favourites/Quick links

Add the document to the Quick Links tab in the right pane for easy access.

W. Link Builder

Copy the document link to share with others

X. Show/Hide Annotations

Show/hide notes you have added previously. This icon displays only when you have previously made notes.

Z. Jump links

Enable quick access to any part of the document.

Y. Add Document Note

Add a note to the top of the document.

DD. Right-pane control

Click to expand and collapse the right-pane.

EE. Expand/Collapse all sections

Click to expand and collapse all sections in the main pane.

BB. Quick links = Favourites

Add content pages to your Quick Links pane for easy access.

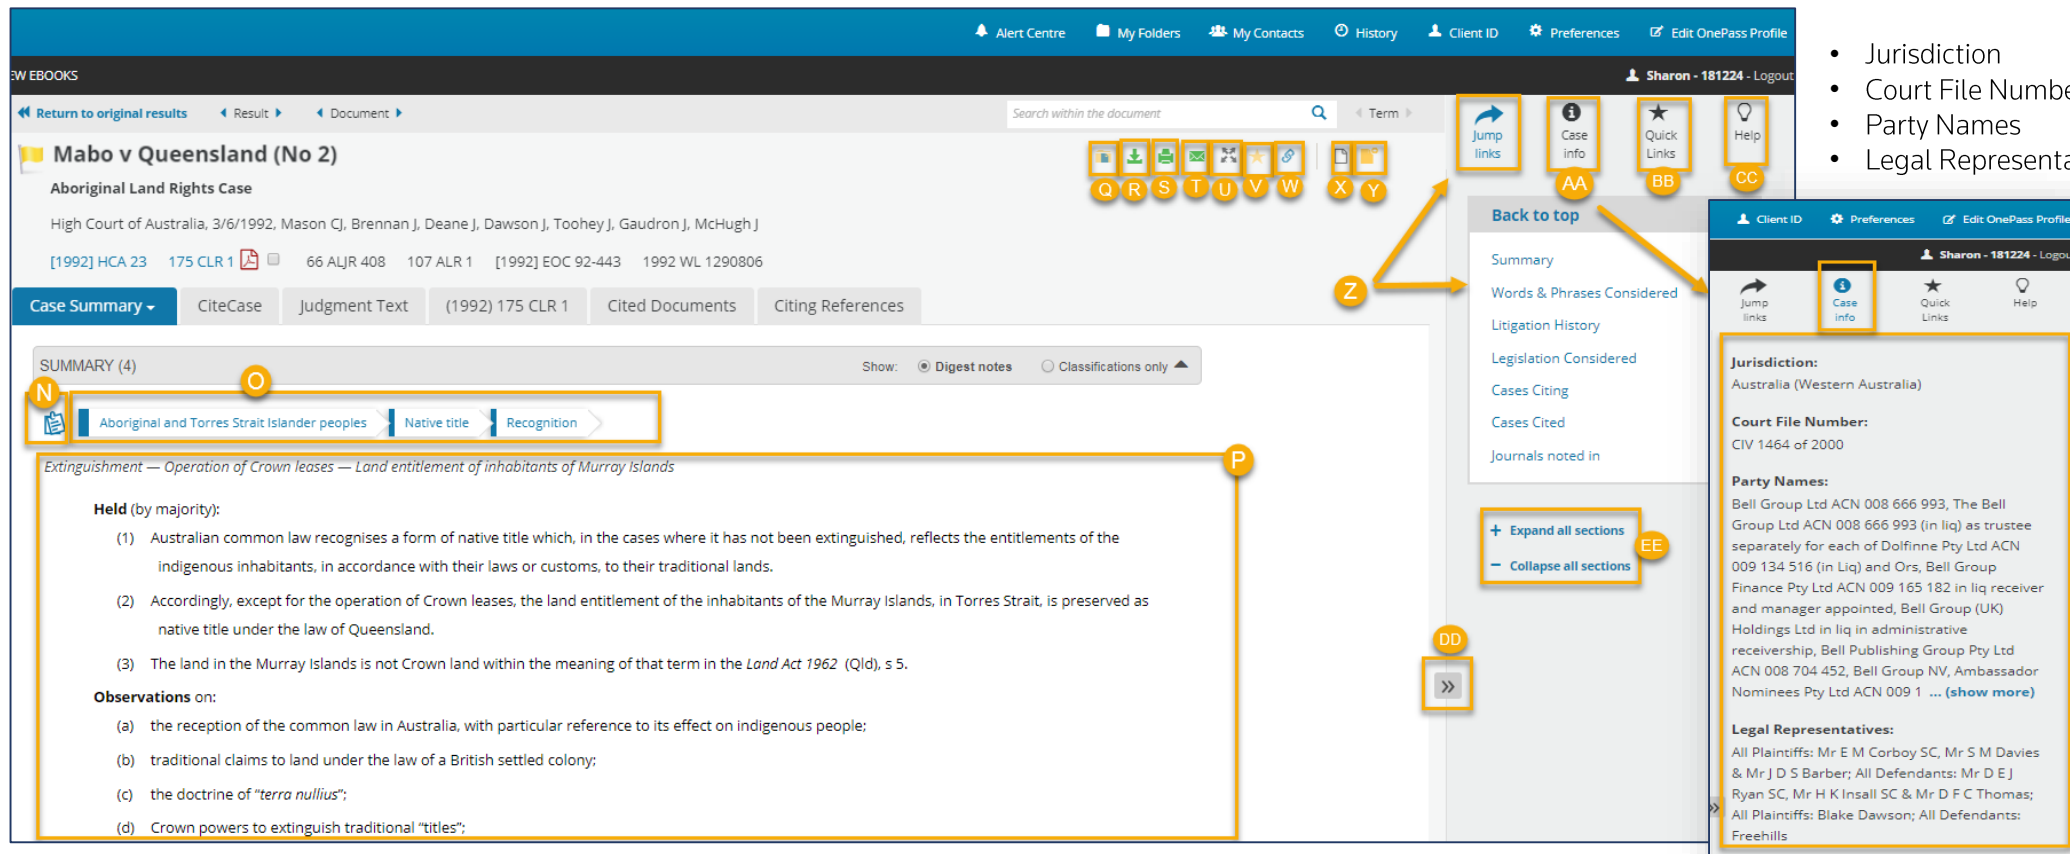

CC. Help

Access contextual tips for document, video tutorials and documentation on the Westlaw Training & Support page.

AA. Case Info

Display further case information about the case you are viewing, including:

- Jurisdiction
- Court File Number
- Party Names
- Legal Representatives

* The new design has not been applied to all delivery options yet. The changes will be made in a later release. In the meantime, if you would like to print the new design, enter **Ctrl+P** from your key board to use the browser print function.

A new table view of Cases Citing and Cases Cited

Various sorting and filtering options will help users quickly focus on cases related to a particular issue and improve the user experience.

1. Displaying a total number of results

Provides quick summary of how many cases are available.

2. Sorting options

The column headings are clickable to sort based on the property.

- Treatment
- Court
- Title
- Date

3. Filtering options

You can filter cases by typing a specific treatment, court, title, citation or date (Year, Month or Date).

4. Show all/Show less controls

Click to see more/less cases

5. Radio buttons

To toggle between the "All Cases" view and the "FirstPoint Verified Significant Only" view.

6. Classification: All

Click to see how all cases are grouped by the top 80 legal topics.

Tip: Filter by Court with a specific jurisdiction

If you type New South Wales in the filter box under the 'Court' column, the cases related to NSW will appear in the table.

1. CASES CITED (284)

2. Classification: All

Various sorting and filtering options will help users quickly focus on cases related to a particular issue and improve the user experience.

Classification Explorer - Browse cases by FirstPoint classification

Treatment	Court	Status	Title and citations	Date
Disapproved	SC	■	Millrump v Nabalco Pty Ltd (Gove Land Rights Case) 17 FLR 141; [1972-73] ALR 65 (SC)	27/04/1971
Considered	SC	■	Millrump v Nabalco Pty Ltd (Gove Land Rights Case) 17 FLR 141; [1972-73] ALR 65 (SC)	27/04/1971
Referred to	HC	Ⓜ	Gerhardy v Brown [1985] HCA 11; 159 CLR 70; 59 ALJR 311; 57 ALR 472	28/02/1985
Referred to	HC	■	R v Toohey; Ex parte Menzies Station Pty Ltd [1982] HCA 69; 158 CLR 322; 57 ALJR 59; 44 ALR 63	08/12/1982

1. Classification Explorer

Display how all cases are grouped by the top 80 legal topics.

2. Interactive design

The “Classification Explorer” also functions as a filter.

You can select a classification(s) from the “Classification Explorer” section and the table below will change to reflect the selected cases only.

This helps you quickly focus on cases related to a point of law.

3. It indicates which classifications are selected.

4. Clear All

Click to clear all selected classifications.

New preference settings for Cases Document Pages

You can customise many aspects of your Westlaw research session using the Preference page

The screenshot shows the 'User Preferences' page in Westlaw. The 'Preferences' tab is selected in the top navigation bar (1). The page is divided into two main sections: 'User Preferences' on the left and 'Delivery Options' on the right. The 'User Preferences' section includes: 'Contact Information' (2) with fields for E-mail Address and Time Zones; 'General' (3) with radio buttons for Search Results per Page, Number of Extracts, Display Options, Default Jurisdiction, Browse By, Basic Search Radio Buttons, and Details Level in Result List; and 'Right Pane in the Case Document Page' (4) with radio buttons for Jump Links, Case Info, Quick Links, and Help. The 'Delivery Options' section includes: 'Default Output Options' (5) with checkboxes for Display Status Indicators, Highlight Search Terms, Include Live Links, Include Summary Page, Include Footnotes, and Include History Notes; 'Default Attachment File Format' with radio buttons for PDF and Word; 'Paper Size' with radio buttons for A4 and Letter; 'Margin Size' with radio buttons for Normal and Wide; 'FirstPoint' (6) with radio buttons for Summary View and Legislation Considered; 'Web Logging' (7) with radio buttons for Enable Web Logging; 'Pay Per View' (8) with radio buttons for Enable Pay Per View; and 'Change your Username and Password' (9) with a link to update. An 'Update Preferences' button (10) is at the bottom right.

1. Accessing Preferences

To access Preferences, click Preferences on the top of any page.

5. Delivery Preferences

Set the default delivery output options, attachment file format, paper size and margin size.

2 Contact Information

Set your email address and time zone.

3. General Preferences

- Set the number of search results per page.
- Set display options such as flags, filters, term highlights and document path.
- Set the default jurisdiction.
- Set the default "Browse By".
- Set the default "Basic Search Radio Buttons".

4. Right-Pane Preferences *

Set the default right-pane

- Jump Links
- Case Info
- Quick Links
- Help

6. FirstPoint Preferences *

Set the default display for the Summary View, Legislation Considered and Cases Cited.

7. Web Logging Preferences

Turn on/off Web Logging.

8. Pay Per View Preferences

Pay Per View must first be set up for your organisation in order for this preference to take effect.

To request Pay Per View for your organisation, contact us on 1800 020 548.

8. Change your Username and Password

9. Click to update Preferences.

* New preferences settings have been added as part of the new case design changes.
