# PRACTICAL LAW
Global Home

This guide provides an overview of the Practical Law Global Home Page.

1. All Global content is collated together, and you can access it from the Global Home page* on Practical Law. *Certain content requires a relevant subscription.*

2. You can also access specific Global content from the footer at the bottom of every page.

Global Home Page

3. Search across Global content from all jurisdictions.
4. Save this page as a Favourite, make this your start page or build a link to this page.
5. Browse content by Country. You can amend the list of countries shown by clicking the "*customise*" button or see all countries by clicking "*View all jurisdictions*".
6. Browse Global content by Practice Area.
7. Build customizable charts comparing legal requirements across multiple jurisdictions at a glance using our Quick Compare tool that forms part of the Dynamic Tool Set, available on Global Premium subscription.
8. Compare answers to key questions about doing a variety of transactions across multiple jurisdictions using our Country Q&A comparison Tool.
